"A land of kids, by kids, for kids" - where children can experience their favourite job and learn about the social system while having fun. Children are paid for their work in "Kidzo" money, which can be used in Kidzania to shop at a department store, save at a bank or withdraw from an ATM within Kidzania. This is a wonderful way to help children realise the pleasure of working.

### \*IGA-RYU NINJA MUSEUM AND NINJA EXPERIENCE

Recognised, as the birthplace of 'Ninjutsu' – Ninja Art. You will travel to Iga-Ueno on the Ninja themed train and upon arrival your family can choose to be dressed in Ninja costumes. Enjoy Ninja demonstrations, visit a Ninja House and learn the secrets of Ninja and perhaps take part in the Ninja Show. Shuriken or Ninja-star throwing is always the highlight at the end of the performance.
